CONCRETE EMPIRE SDN.BHD

PROFILE

1. INTRODUCTION

Concrete Empire Sdn.Bhd (CESB) was incorporated on the 2nd day of October 1996. Following a restructuring exercise in September 1998, **CESB** has emerged as a new member in the local construction scene providing a wide range of construction services to our valued clients.

CESB's senior management personnel has in them a long standing list of proven track records and construction experiences which will offer our clients the best level of service. Our senior management personnel, being hands on construction people, provides immediate, accurate and innovative solutions to all kinds of construction problems. With more than 15 years of experience in the construction field, we have also built up strong relationships with many subcontractors, suppliers and associates, together we will be able to offer the best level of service with the lowest cost.

CESB's principal activities are civil engineering related with special focus on supply of pre-cast prestressed beams for **bridges and flyovers**. We have extensive experiences in **precasting of bridge girders and handling and launching** into positions. We are also able to provide **alternative designs to bridge structures or turnkey constructions**.

Our objective is to strive to achieve the highest level of excellence by providing best services to our clients. By utilising local talents and local developed products, we hope to contribute to the nation's aspiration of achieving industrialised status by the year 2020.

2. AREA OF SERVICES

Concrete Empire Sdn Bhd principal area of services including the followings :-

- Bridge Construction
- Precasting For Bridge Girders (pretensioned or post-tensioned)
- Precasting For All Types of Concrete Elements
- Handling And Launching of Precast Bridge Girders
- Handling And Installation of Precast Concrete Elements
- Heavy Lifting
- Alternative Designs
- Turnkey Construction
- Project Management

3. MAJOR PROJECTS COMPLETED.

To date we have carried out and completed about **RM250 million** worth of precast pretensioned and post tensioned beams for bridges and flyovers though out Peninsular Malaysian and Sarawak.

Selected list of major projects completed are: -

PROJECT	CLIENT	PROJECT VALUE	NO OF PRECAST PRESTRESSED BEAMS
Cadangan Membina Jln Raya Durian Tunggal-Paya Rumpit, Sg. Udang Melaka.	JKR	9,157,800.00	300 Nos
